As a consequence of the play off in the South West Group, I today welcome Dr. Dwyer, the Devon President, his County Team and Officials to Gloucestershire and to Kingsholm. This meeting was always a probability following the drawn game at Exeter, but nevertheless it is good to see Devon contesting the group championship so vigorously again.

It is only natural that I am expecting Gloucestershire to win this game, but I trust that all of us watching will be treated to an afternoon of good rugby and that the kickers' skills so much in evidence a month ago might only be required for the taking of conversions on this occasion.

The Gloucestershire R.F.U. would once again express its thanks to the Gloucester Club for the use of the Kingsholm ground and for the help and co-operation of their officials and stewards.

May I take this opportunity of wishing all supporters of the game the compliments of the approaching festive season.

C. GARDNER, President, G.R.F.U.
